Neil: Great. And **you'll be checking** your email on vacation, right?

Yvonne: No way. This time next week, **I'll be lying** on a beach with my phone off.

Neil: So jealous! Who'll handle the client if something comes up?

Yvonne: Kevin **will be covering** for me. **I'll have briefed** him by Thursday.

Yvonne: I have. By Monday, **I'll have forgotten** this office even exists!

Speak Like a Native track 9

1. I'll have finished the first draft by Wednesday.

linking: "I'll‿have"
change: "first draft" (mất âm t)
strong: "finished", "Wednesday"

"I'll have" đọc liền thành "ai-lơv". Âm /t/ của "first" và "draft" bị nuốt trước phụ âm: /fɜ-s dræf baɪ/. "Wednesday" không đọc chữ "d" đầu: "wenz-đây".

2. This time next week, I'll be lying on a beach with my phone off.

change: "next week" (mất âm t)
linking: "phone‿off"
strong: "beach", "off"

Âm /t/ kẹp giữa /s/ và /w/ bị nuốt: next week → "nex-wik". "phone off" nối thành "fâu-nóf". Nhấn "beach" và "off" để khoe kỳ nghỉ.

3. Wow, you've really thought of everything.

change: "thought‿of" (t → d nhẹ)
strong: "really", "everything"

"thought of" nối thành "tho-đơv": âm /t/ giữa hai nguyên âm đọc như "d" nhẹ, "of" đọc /əv/. Nhấn "really" và "everything" để khen thật lòng.

- "will have" rút gọn thành 'll have: I'll have → "ai-lơv", we'll have → "wi-lơv".
- "have" ở cuối câu trả lời ngắn thì đọc mạnh /hæv/: I HAVE.
- Âm /t/ kẹp giữa hai phụ âm thường bị nuốt: next week → "nex-wik".
- Tương lai tiếp diễn: "will be" đọc nhẹ, nhấn vào V-ing: I'll be LYING on a BEACH.

Grammar Focus

Tương lai tiếp diễn: will be + V-ing

Việc đang diễn ra tại một thời điểm trong tương lai (This time tomorrow…, At eight tonight…). Còn dùng để hỏi kế hoạch lịch sự: Will you be…?

This time tomorrow, **I'll be flying** to Tokyo.
Will you **be using** the car tonight?
At nine, **we'll be having** dinner.

Tương lai hoàn thành: will have + V3

Việc sẽ xong TRƯỚC một mốc trong tương lai; hay đi với by + thời gian hoặc by the time…

By the time we arrive, the movie **will have started**.
By June, **they'll have been** married for ten years.
Will you **have finished** by six? – Probably.
