Conversation track 1, 3, 4

Felix had a job interview this morning. His friend Tessa wants to hear all about it.

Tessa: So, how did it go? Tell me everything!

Felix: Pretty well, I think. First, they **asked me to talk** about myself for two minutes.

Tessa: Only two minutes? That's tough. What else?

Felix: Then the manager **asked if I'd** ever led a team, and **why I wanted** to leave.

Tessa: Classic. What did you tell her?

Felix: The truth, mostly. Oh, and they **asked me to solve** a logic puzzle on the whiteboard.

Tessa: A puzzle? You're kidding! Did you crack it?

Felix: Eventually. And at the end, they **asked when I could** start!

Study Notes

Classic.
Câu kinh điển luôn.
"Classic." (văn nói) = đúng kiểu quen thuộc, ai cũng đoán trước được; ở đây ý là câu hỏi phỏng vấn kinh điển.
Cách nói tương đương: Of course they asked that.

Did you crack it?
Bạn có giải được không?

Cách nói tương đương: Did you figure it out?

Speak Like a Native track 2

1. First, they asked me to talk about myself for two minutes.
change: "asked me" (mất âm k, t)
linking: "talk‿about"
strong: "myself", "two minutes"
"asked" có cụm /skt/; trước phụ âm thường chỉ còn "és": asked me → "és-mi". "talk about" nối thành "to-kơ-baot", chữ "l" trong "talk" câm.

2. Then the manager asked if I'd ever led a team, and why I wanted to leave.
linking: "asked‿if‿I'd‿ever"
change: "wanted" (mất âm t)
strong: "led a team", "leave"
"asked if I'd ever" nối liền: "és-ti-fai-đe-vơr"; "I'd" ở đây là "I had". Giọng Mỹ hay bỏ /t/ sau /n/: wanted → "wa-nịd".

3. What did you tell her?
change: "did you" (d + y → "j")
linking: "tell‿her"
strong: "tell"
"did you" đọc thành "đi-jơ". "her" đọc nhẹ, mất âm /h/ và nối vào "tell": "te-lơ". Cả câu: "wa-đi-jơ-te-lơ", xuống giọng ở cuối.

- "asked" trước phụ âm thường chỉ còn "és": asked me → "és-mi".
- Câu hỏi tường thuật là câu kể: không đảo ngữ, xuống giọng ở cuối.
- Giọng Mỹ hay bỏ /t/ sau /n/: wanted → "wa-nịd", interview → "i-nơ-viu".
- "her, him, his" đọc nhẹ thường mất âm /h/: tell her → "te-lơ".

Grammar Focus

Tường thuật câu hỏi: asked if / asked + từ để hỏi
Câu hỏi Yes/No → asked (me) if…; câu hỏi Wh- → giữ từ để hỏi. Chủ ngữ đứng trước động từ, bỏ do / did và lùi thì.

She **asked if** I **was** free on Friday.
They **asked where** I **lived**.
He **asked how long I'd worked** there.

Tường thuật lời yêu cầu: asked / told + người + to V
Lời nhờ (Can you…? / Please…) → asked + người + to V; phủ định: not to V. "told" mạnh hơn, giống mệnh lệnh.

My boss **asked me to stay** late.
She **asked us not to** park here.
The doctor **told him to rest** for a week.
