Conversation — track 8, 10, 11

Gordon and Carmen are going over the checklist for their company's anniversary party.

Gordon: Final check for Friday. **Have** the invitations **been sent** out?

Carmen: Yep, last week. And the hall **has been booked** for the whole evening.

Gordon: Great. And the food? Last year it showed up an hour late.

Carmen: I remember. This time, it **must be delivered** by five, or we don't pay.

Gordon: Smart. And who's setting up the tables?

Carmen: The venue staff. Apparently, it **can all be done** in an hour.

Gordon: One more thing. **Has** the projector **been tested**? I don't want another disaster.

Carmen: Twice. Relax, Gordon. **Everything's been taken care of**.

Speak Like a Native — track 9

1. And the hall has been booked for the whole evening.

linking: "hall‿has‿been"
strong: "booked", "whole evening"

"has" đọc nhẹ /əz/, mất âm /h/, nối vào "hall": "ho-lơz-bin". Nhấn "booked": việc đã xong.

2. Last year it showed up an hour late.

change: "Last year" (t + y → "ch")
linking: "showed‿up‿an‿hour"
strong: "late"

"Last year" thường đọc thành "las-chiơr". "showed up an hour" nối thành một chuỗi: "shâu-đớ-pơ-nao-ơr"; chữ "h" trong "hour" câm. Nhấn "late" để than phiền.

3. This time, it must be delivered by five, or we don't pay.

change: "must be", "don't pay" (mất âm t; n → m)
strong: "delivered", "five"

"must be" mất âm /t/: "mớs-bi". "don't pay" mất /t/, rồi /n/ biến thành /m/ trước /p/: "đôm-pây". Nhấn vào thời hạn.

• Bị động hoàn thành: "has / have been" đọc nhẹ, lướt nhanh: has been → "ơz-bin", it's been → "its-bin".
• Bị động với modal: modal và "be" đọc nhẹ, nhấn vào V3: it must be DELIVERED.
• Âm /t/ kẹp giữa hai phụ âm thường mất: must be → "mớs-bi", booked for → "búk-fơr".
• Âm /n/ trước /p/, /b/, /m/ dễ biến thành /m/: don't pay → "đôm-pây".
