Conversation track 15, 17, 18

Andrea is giving Max directions to a restaurant.

Max: I'm walking down South Street now.
Andrea: OK. How many bus stops have you passed?
Max: Two, I think.
Andrea: All right. At the next intersection, turn right and walk down the hill. You'll see a tall building on your left
Max: OK.

Max: Oh, there it is!
Andrea: Great. The restaurant is right beside that building. When you get here, go up the stairs. I'm sitting by the window.
Max: All right. I'll be there in a minute.
Andrea: I'll order some appetizers, then. How hungry are you?

Speak Like a Native track 16

1. At the next intersection, turn right and walk down the hill.

chữ **t** trong từ **intersection** gần như không được đọc.

2. The restaurant is right beside that building.

Bình thường thì từ **that** sẽ được đọc nhẹ hơn những từ xung quanh. Nhưng trong trường hợp này, **that building** là từ key word để chỉ nơi cần đến, vậy nên hãy đọc **that** mạnh hơn.

3. I'll be there in a minute.

2 cụm từ **I'll be there** và **in a minute** được đọc từng cái một liền mạnh.
